

TLCD Architecture is seeking a resourceful, self-motivated, and talented designer looking for hands-on experience in architecture or interior design. Join us and gain exposure to many project types and phases while working closely with our talented design staff.

ABOUT THIS ROLE

- Works closely with architects, interior designers, and firm principals to develop visual representations of design proposals and assist in preparation of project documents
- Collaboration with project team members to resolve technical and design related issues
- Participate in consultant coordination meetings and site visits
- Hands-on application of design education to real-world project objectives
- Development of professional growth toward licensure or certification
- Compensation range for 0-3 years of experience is estimated between \$26.50 - \$31.25 per hour plus benefits and bonuses and contingent on relevant experience

ABOUT YOU

- Bachelor's or a master's degree in Architecture, Interior Design, or related field required
- Strong graphic, visualization, and communication skills to effectively communicate design ideas and questions
- Resourceful and proactive team collaborator
- Strong organizational and problem-solving skills
- Ability to take on new challenges and responsibilities and work on multiple projects simultaneously
- Revit and Adobe Creative Suite applications experience is desirable
